Whenever such pet leaves the lot, then the pet must be restrained by a leash and any animal droppings which occur during such time must be immediately collected by the owner. Felines are an exception to the preceding 'pets must be restrained by a leash' condition, however, when outside the residence, felines must wear a collar fitted with an audible bell. Service animals for persons with disabilities are the exception.

Rules and regulations shall be binding upon owners and occupants of all Lots until cancelled. Changes, additions or modifications must first be published in the ERPOA Monthly Newsletter and approved by the Board at the following scheduled monthly meeting after publication. Lot owners may alter the existing control of water flow only when affected lot owners fully agree on the alteration and only when it can be guaranteed that the alteration will not change the situations on streets and lots upstream and downstream from their lots. Etowah's Reach is not in a flood plain.

- a) Cost Estimates. Immediately after a fire or other casualty causing damage to the common elements, the Board shall obtain reliable and detailed estimates of the cost of repairing and restoring any structures to a condition as good as that existing before such casualty. Such costs may also include professional fees and premiums for such bonds as the Board determines to be necessary. Any contract awarded to a contractor shall require that the contractor be licensed, be bonded, and have liability insurance.
- b) Source and Allocation of Proceeds. If the proceeds of insurance are not sufficient to defray the said estimated costs of reconstruction and repair, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, the Association may elect to use available monies in the Reserve Funds provided replacement is accomplished one (1) year prior to when the obligated reserve fund monies are needed. If borrowing from the Reserve Funds does not provide sufficient monies, assessments shall be made against all Lots. Such assessments require Association approval. This approval requires a majority of lot owners (50). If, after repair and reconstruction is completed, there is a surplus of funds, such funds shall be returned to the lot owners who were assessed.
- c) Reconstruction Fund. The net proceeds of the insurance collected on account of a casualty and the funds from assessments shall constitute a reconstruction fund which shall be disbursed in payment of the cost of reconstruction and repair in the manner set forth in this Section.
- d) Method of Disbursement. The reconstruction fund shall be disbursed by the Board in appropriate progress payments to such contractor(s) performing the work or supplying materials or services for the repair and reconstruction of the buildings and grounds. All contracts shall include lien waivers.

## **Article 12**

### **Leases and Sales**

In order to protect the value of all the Lots, the sale or leasing of a residence on a Lot shall be subject to the following provisions:

**Section 12.1 Renting or Leasing of a Residence.** Residences may be rented only in their entirety and only to a single family; no fraction or portion may be rented. Residences may not be rented for terms less than six (6) consecutive months. All leases and lessees are subject to the provisions of the Declaration, Bylaws, and Rules and Regulations. The lot owner must make available to the tenant copies of the Declaration, Bylaws, and Rules and Regulations. The lot owner (or their agent) is required to notify the Board that the residence has been leased/rented and to provide

the name of the tenant. This is to be done within 15 days of consummating the lease/rental agreement but not later than when the tenant takes up residence. Similarly, when the tenant departs, the lot owner is required to notify the Board.

"Leasing" for purposes of this *Declaration* is defined as regular occupancy of a residence on a Lot by any person other than the lot owner for which the lot owner receives any consideration or benefit, including a fee, service, gratuity, or gain.

Any lease of a residence in Etowah's Reach shall be deemed to contain the following provisions, whether or not expressly therein stated, and each lot owner covenants and agrees that any lease of a residence shall contain the following language and agrees that if such language is not incorporated into a lease such covenants nevertheless apply to the residence through the existence of this covenant. Any lessee, by occupancy in a residence, agrees to the applicability of this covenant and incorporation of the following language into the lease:

- a) Liability for Assessments. All unpaid common expense assessments, as lawfully determined and made payable during the term of the lease and any other period of occupancy by lessee shall be the responsibility of the owner of the Lot.
- b) Compliance with the *Declaration, Bylaws and Rules and Regulations*. Lessee agrees to abide by and comply with all provisions of the *Declaration, Bylaws, and Rules and Regulations* adopted pursuant thereto. Lot owner agrees to cause all occupants of the Lot to comply with the *Declaration, Bylaws, and Rules and Regulations* adopted pursuant thereto, and is responsible for all violations and losses caused by such occupants, notwithstanding the fact that such occupants of the residence are fully liable and may be sanctioned for any violation of the *Declaration, Bylaws, and Rules and Regulations* adopted pursuant thereto.

Any violation of the adopted Documents is deemed to be a violation of the terms of the lease. Should the violations impact the well-being of the community, the Association may take action against the owner of the Lot in accordance with Article 15 of this *Declaration* (page 15).

**Section 12.2 Sale of a Residence.** When a residence is sold, the Lot owner shall:

- a) Provide the Association Secretary and the Association Treasurer with the sale date and the buyer name.
- b) Convey to the buyer the binder containing the current Etowah's Reach governance documents.
- c) Have paid the operating assessment up to and including the month of the sale, any unpaid special assessments, and any unpaid fees, fines, etc.
